

CommunityConnect HealthPlanSM

The health plan that cares enough to help

For BadgerCare Plus Standard and Benchmark members

Helping you find a doctor and get the health care you need is only part of what we do. We understand that to get really healthy, you may need help managing your family's day-to-day needs. We connect you with the people at Community Advocates who can help with things like housing, transportation, money issues and food.

They can work with you to get you help

- Paying for food.
- Finding a better place to live.
- Keeping your lights and heat on.
- Getting rides to doctor visits.
- Finding a job and child care so you can work.
- Reaching someone to talk with about emotional problems.

No matter what kind of help you need or what language you speak, we'll jump right in.

Here's just a sample of what we offer:

- Help in person or by phone so you can learn about and use your benefits. Just call us toll free or visit us at a local workshop to get answers to your questions.
- Your choice from a large network of doctors, specialists and hospitals. We'll help you find a doctor and a ride to get there.
- A healthcare team who's just right for you and your family. It'll feel good to have a medical home, a group of health care experts who know you and work together to give you the care you need.
- Dental, vision, and mental and emotional health care for your overall well-being.
- Programs to help you manage special health concerns, like diabetes, asthma, high blood pressure and childhood obesity.
- Prenatal care.
- Rewards for good health habits. Just make sure your child gets checkups and all the shots the doctor suggests, and we'll send you a reward!
- Phone support from a nurse, 24 hours a day, 7 days a week. Call our toll-free nurse line any time for quick, expert answers to your health care questions.
- Doctors and customer service team members who speak your language. Plus, we'll translate our health plan information for you.
